Littles Named to Receive Award For Excellence in Leadership

Center Director Dr. Wayne Littles will receive the 1997 Roger W. Jones Award for Excellence in Leadership. The award will be presented to Littles Monday night by the American University School of Public Affairs in Washington, D.C. The award honors federal career executives who have exhibited superior leadership in organizational achievements, and in the development of managers and executives for continuity in government.

Shuttle Atlantis, With Wolf, Set to Launch at 9:31 p.m CDT Thurs.

Following safety review briefings Wednesday afternoon, NASA managers decided to proceed with plans to send astronaut David Wolf to Mir. Launch of Shuttle Atlantis on the STS-86 mission is set for approximately 9:34 p.m. CDT, with a launch window of only 7 minutes. It will air live on NASA TV (Comcast Channel 55, Cable Alabama Channel 47). STS-86 is the seventh mission to dock with the Russian space station Mir. Wolf will replace astronaut Michael Foale aboard Mir.
